Hi Jay,

The OOOOa annual reporting template is in draft status. See <https://www.epa.gov/controlling-air-pollution-oil-and-natural-gas-industry/implementation-oil-and-natural-gas-air>

We will update this page when final electronic reporting forms are available.

Thanks,
Lisa

Comments: For NSPS OOOOa CEDRI reporting, EPA has previously advised that the 60.5420a(b) annual reporting template is available (and is shown in the Announcements section of <https://www.epa.gov/electronic-reporting-air-emissions/compliance-and-emissions-data-reporting-interface-cedri>).

However, under the List of Rules section of the same web page for NSPS OOOOa, EPA does not list the template as available. Given the importance of "90 days after the final template is posted," what is the official status of this template?
